### LAA Links

We all know that there is heaps of interesting aviation related websites on the internet. It's just a matter of finding them.

If you come across any sites that are worthy of a mention in LAA Links please forward them to our Newsletter Editor.

Shane Fewings - [sfewings@tpg.com.au](mailto:sfewings@tpg.com.au)

#### **Recreational Aviation Australia (RA-Aus)**

Some excellent instructional information on piloting and anything RA-Aus category related.

<http://www.raa.asn.au/>

#### **Sport Aircraft Association of Australia**

The SAAA has some excellent deals on fuel and insurance for its members. They also have a great chapter network setup where local builders and flyer meet.

<http://www.saaa.com/>

#### **Aeroclub**

Lots of very handy information such as airfields and events.

<http://aeroclub.com.au/>

#### **Recreational Flying**

A very good website.

<http://www.recreationalflying.com.au>

#### **AOPA**

<http://www.aopa.com.au>

#### **Rotax Owners**

The AD's and service bulletins for all Rotax engines are available here, with installation and maintenance documentation.

<http://www.rotax-owner.com/>

#### **EAA Builders Video's**

This is the EAA's Home builders site with small video clips on things like making nose ribs in wood, blind riveting and lots of other useful stuff.

<http://www.eaa.org/video/homebuilders.html>

<http://www.eaa.org/video/homebuilders.html?videoId=1599932073>

<http://www.eaa.org/video/homebuilders.html?videoId=1674033145>

#### **EXPERIMENTER Magazine**

<http://www.eaa.org/experimenter/issues/0901.html>

#### **UltraFlight Radio**

[www.ultraflightradio.com](http://www.ultraflightradio.com)

#### **ECO2000 Aircraft Cleaning Products**

<http://www.eco2000.com.au/Industrial/about.shtml>

#### **Flight Planning**

#### **Plain Language METAR**

<http://pemet.com.au/>

#### **Area 30 Briefing**

<http://www.airservices.gov.au/brief/html.asp?/cgi-bin/avreq?p01=9300>

**Moorabbin TAF**

<http://www.airservices.gov.au/brief/html.asp?/cgi-bin/avreq?p01=yymb&s2=2>

**Pilot Briefing Services**

<http://www.airservices.gov.au/brief/default.asp>

**ERSA**

<http://www.airservices.gov.au/publications/aip.asp>

**Weather****Satellite**

<http://www.bom.gov.au/gms/IDE00035.latest.shtml>

**Melbourne Weather Radar**

<http://mirror.bom.gov.au/products/IDR023.1oop.shtml>

**Synoptic Chart**

<http://www.bom.gov.au/weather/national/charts/synoptic.shtml>

**Bureau Of Meteorology Victorian  
Weather for Recreational Aviation**
