Membership

The LAA membership is great value at just \$30. The club holds a monthly meeting at the Caulfield RSL on the first Monday of each month. But do check our events website to ensure we haven't relocated to a site visit on that night. Each month we usually invite a guest speaker to address the members. Over the years the LAA has had many very interesting presenters on a vast number of subjects. As mentioned the members will also make site visits to inspect the progress of our fellow aircraft builders. Or we may even visit other location and facilities of interest.

The club is also very active in the air with regular flyways on the calendar. Yarrowonga is our big one that is usually held early in the year.

Our members have a wealth of knowledge on all aviation matters. So come along to see what goes on at the next monthly meeting or just give our membership secretary Paul a call to get some details about the club.
